SUMMER

SUMMER SEASON ACTIVITIES

In the morning calm, the glassy lake reflects the first light of the sun, calling residents and resort guests to the docks for a day of boating, water skiing and pure summer enjoyment. After a morning out on the lake guests can return to their hotel for a dip in the pool or gastronomic experience in the retail village and hotel f&b options. Wind down the evening with a rooftop beverage as the sun sets on another perfect Lake Tahoe day.

SHOULDER

SHOULDER SEASON ACTIVITIES

As the snow-capped peaks begin to fade and winter activities are set aside for another year, Boatworks at Tahoe City will still be a destination for visitors with a bustling retail village and activities that transcend seasons. Likewise, following the summer, as the temperatures begin to drop, and leaves change, visitors will still enjoy the brisk mountain air on a hike or a meandering stroll along the creek to the lakefront for sunset.

Whether skiing, snowboarding or gathering around a fire, guests will enjoy all aspects of the destination from the comforts of the resort or it's neighboring residences. Bundle up and enjoy a fire along the lakefront promenade. Getting to the mountain will be effortless with the resorts branded shuttle and ski valet. Winter has never been such a warm welcome.
